## CHIPPENHAM SURGERY - TRAVEL VACCINATIONS

To help us advise you on the protection you need, please attend the surgery at least six weeks before you intend to travel. You may require travel vaccinations, depending on the country or countries that you intend to visit and stay.

You will require one appointment for yourself and each person traveling. These appointments should be made with one of our Practice Nurses.

Please complete the questionnaire and bring it along with you when you attend for your first appointment.

Some vaccines are not available on the NHS, these are then prescribed privately and a charge made as detailed below.

Tetanus	No Charge
Typhoid	No Charge
Polio	No Charge
Hepatitis A & B	No Charge
Diphtheria	No Charge
Meningitis A & C	£27.00
Japanese Encephalitis	£150.00 per course
Tick borne Encephalitis	£160.00 per course
Rabies	£150.00 per course
Yellow Fever	£45.00 includes Certificate
Cholera	£45.00

Anti Malarials – medication for the prevention of Malaria are no longer available on the NHS.

We are able to inform you which type of cover you will require.

Other charges which may apply:

Private prescription	£15.00
Certificate of Vaccination	£15.00
Travel Fitness Certificate	£15.00
Holiday Cancellation Insurance Form	£15.00
Travel Fitness Certificate	£15.00

**Please note:**

Due to previous non payments of travel vaccinations, we regret that any charges payable must be paid in full before the commencement of any course of vaccines
