WELCOME PACK AND REGISTRATION DOCUMENTS

Thank you for choosing to register with Chippenham Surgery.

We have eight doctors and a highly skilled team of nurses working to provide patients with the best care possible. We are a dispensing practice. We work closely with our district nurses, health visitors, midwives and counsellors. To support all these services we have a hard working team of dispensing, health care assistants, administrative and reception staff.

To register:

You will need to complete a GMS1 form together with a new patient registration form for all members of the family. Once completed please return to the surgery to enable us to register with the surgery. A new patient registration appointment will be offered to you.

Our opening times:

Monday to Fridays: 8.00 a.m. - 6.30 p.m.

If you require medical assistance outside of these hours please contact:

GP Out of Hours: 0845 600 1231
